Georgia FFA-FCCLA Center FFA-FCCLA Summer Camp Parental Consent

The Undersigned, Being a Parent or Guardian of _____ (insert name of minor) releases the Georgia FFA-FCCLA Center, its representatives, agents, servants, and employees from liability for any injury to said minor, resulting from any cause whatsoever occurring to said minor at any time while attending the Georgia FFA-FCCLA Center, including travel to and from camp and any field trips, excepting only injury or damage resulting from willful acts of such representatives, agents, servants and employees. The Georgia FFA-FCCLA Center is also released of any expenses resulting from the injury.

Your child will have the opportunity to participate in optional high adventure activities, including but not limited to horseback riding, high ropes course, shooting sports, giant slip and slide, mud obstacle course, zip line, and the blob. The Center will provide trained staff who will conduct these activities in the safest manner possible. *Under Georgia Law, an equine activity sponsor or equine professional is not liable for an injury to or death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to Chapter 12 of title 4 of the official Code of Georgia annotated.*

This event is a school function. Students and parents are expected to be familiar with all school policies and camp policies. To protect the safety of all students, the Georgia FFA-FCCLA Center has no-tolerance policies that could immediately result in students being sent home. These policies include but are not limited to:

1. Use of violence or possession of weapons
2. Use of alcohol or drugs
3. Entering the cabin of the opposite sex
4. Being outside the cabin after curfew

Parents or guardians of students who violate policies will be notified to pick up their child.

The Center will have medical staff on site that will treat for basic injuries and illnesses. Campers may be sent to a local hospital or physician if needed. The camper fee includes a small insurance policy that will help cover illness and injury that occur while at camp. For this insurance to apply it must be authorized by camp personnel and properly filed as the primary insurance. Reports must be filed before the student leaves camp, and within 24 hours for an illness and 48 hours for an accident. Medical fees above the maximum limit, fees denied by this insurance, or charges that are not properly authorized and filed will be the responsibility of the patient, parent, or guardian.
