**Understanding Policy**

I have read and understood all the above information. I understand that the student expectations for me are high by my teacher and also myself. I understand that if I give Mrs. Henderson the utmost respect, the utmost respect will be given in return. I understand that I must complete a notebook, perform all lab activities, pass all tests, and complete all work issued. I understand that Mrs. Henderson is not out to deliberately fail me. I understand that she will be available and willing to help assist me with any problems that may arise in relation to the school setting. I understand that this is a working contract in which Mrs. Henderson can change without prior approval as long as it does not interfere with me successively passing her class.
